

If I Knew Then

Lady Antebellum

The first time that I saw you
Looking like you did
We were young
We were restless
Just two clueless kids
But if I knew then
What I know now
I'd fall in love You're on a bus in chicago
Three rows to the left
You know my heart
Is reaching for you
But we never even met
If I knew then
What I know now
I'd fall in love
'cause love only comes
Once in a while
And knocks on your door
And throws you a smile
And takes every breath
Leaves every scar
Speaks through your soul
And sings to your heart
But if I knew then
What I know now
I'd fall in love On a summer night
In august
Backseat of my car
Said I'm trying to get
To know you
I took it way to far
But if I knew then
What I know now
I'd fall in love
(wooaahh)
'cause love only comes
Once in a while
And knocks on your door
And throws you a smile
And takes every breath
Leaves every scar
Speaks through your soul

And sings to your heart
But if I knew then
What I know now
I'd fall in love(woah)
I used up
A lot of chances
But you give them back
But if again
It comes crawling
Im gonna make it last'cause love only comes
Once in a while
And knocks on your door
And throws you a smile
It takes every breath
Leaves every scar
Speaks through your soul
And sings to your heart
But if I knew then
What I know now(woah)
If I knew then
What I know nowI'd fall in love
