

# Jus Mee & U (feat. Raphael Saadiq)

## Luniz

Nummy Num playboy  
I remember when we was hella broke dude  
We just had a dream, right?  
We made it happen dude Just me and you  
We made it went from broke to havin' thangs  
Just me and you  
Ooh baby, coming way up out the game Just me and you  
We made it went from broke to havin' change  
Just me and you, oh baby, and the songs turn again  
Don't worry 'bout a damn thang We used to be short on the avenue so broke on the avenue  
I couldn't afford to have a brew  
How it happened dude, just me and you  
I use to drink brew after you  
You had your daughter first, my baby son was born right after you  
Now we making cash with Dru, oh look what havin' cash would do  
Playahatas come after you, if they blast at you  
I'd be the first one to prove what the mass would do One ain't better than havin' two, looney  
individuals off cash and brew  
Lace the avenues boy I ain't mad at you  
Hindu drinkin' glass with you, cheers  
We lasted through years what we have to do We finally here, I got 5 showed on the Billboard  
Live  
Doin' songs with Too Short, courtesy of Jive  
Front page of the Vibe, live and direct,  
Rafael Saadiq freak that beat chorus and drumset  
Make your ears wet like sex, who waitin to come next  
With Pavey Rolex, just me and you Just me and you  
We made it went from broke to havin' thangs  
Just me and you  
Ooh baby, coming way up out the game  
Just me and you  
We made it went from broke to havin' change  
Just me and you, oh baby, and the songs turn again  
Don't worry 'bout a damn thang We risked it and killed in Cali before we make bread  
Creating our heaven on earth but it's worse we cursed from birth  
Now turn money and keepin' moms happy  
Got me gladly livin lavelle, I say we blessed to have mail Big Willie, I'm numb to the world  
baby  
Don't speak among thangs unless it pays me  
You never see Yuckmouth weighin circumstances  
You never see Numbskull flossin takin chances Advancement is okay doe and cheatin is alright  
And it's best to have some killa's on the payroll, day and night

Stick and move pick and choose licks  
 Benet wasn't in it that's why Benet didn't benefit Believe my story the tale of glory didn't make  
 me believe  
 That in America I never had to worry  
 Cupid wasn't stupid but never was Numb and Yuck  
 It was all dreams and wishes, game and luck  
 Just me and you Just me and you  
 We made it went from broke to havin' thangs  
 Just me and you  
 Ooh baby, coming way up out the game Just me and you  
 We made it went from broke to havin' change  
 Just me and you, oh baby, and the songs turn again  
 Don't worry 'bout a damn thang It was gonna happen man  
 First we got 5 on it, now we got 5 on big beats  
 Rafael Saadiq, DJ Quik, G 1, that's how it happened man  
 Once you get large do your thang, big thangs man Hey, when you saw my show in '94 you  
 didn't know  
 We'd blow like Nitrolycerin, Girbaud, Tommy Hill, Timberland  
 Playboy, I use to rock a pendelton, officer arrests a gentleman  
 Now I'm spending big deusch marks on German women In the red light district way out in  
 Amsterdam kickin it  
 Adam and Eve coffee shop, purchase grams wicked  
 Disappeared like the grand wizard dig it  
 Trying to be the richest young black brothas in the business I heard so many times it was  
 hopeless, bogus  
 Accordin' to both of us the world was untouched  
 We had to focus, I had to explain thangs to the fullest  
 Figured out what we could and couldn't And made plans to get the puddin'  
 There's too many rules to made and broke  
 The mail is to be made so lets fade a toast  
 Now tell these folks to let me be all I can be  
 So the L U N I Z will go down is history Just me and you  
 We made it went from broke to havin' thangs  
 Just me and you  
 Ooh baby, coming way up out the game Just me and you  
 We made it went from broke to havin' change  
 Just me and you, oh baby, and the songs turn again  
 Don't worry 'bout a damn thang
