

Balmain Jeans (feat. Raphael Saadiq)

Kid Cudi

Help me take off my Balmain jeans
I'll undo yours
You can lick it after I'm done lickin' you first
I wanna taste it
Tired of waitin'
Are you tasty?Yahm yahm
Come on baby
YahmHope you can feel that vibe
The vibes of the night
Your body is warm
In my arms
We're under the stars
Can I come inside your vortex
Can I come inside your vortex
Let me babyIt's been so long, been such a hobby
Finding someone who electrifies my body
Annotate I need you to protect my heart
Gimme your hand, put it here
This is where you startKeep feelin' on me
(Don't stop)
Keep feelin' on meKeep feelin' on me
(Don't stop)
Keep feelin' on me
Lord help me
Lord help me
I got a lover under my covers
I don't want her to leave
She said I'm perfect
Perfectly kissing on my neck
She is the sexiest
She said she loves my scentHope you can feel that vibe
The vibes in the night
Her body is warm
In my arms
We're under the starsI wanna taste it
Tired of waitin'
Are you tasty?Yahm yahm
Come on baby
YahmIt's been so long, been such a hobby
Finding someone who electrifies my body
Annotate I need you to protect my heart
Gimme your hand, put it here

This is where you start Keep feelin' on me
(Don't stop)
Keep feelin' on me Keep feelin' on me
(Don't stop)

Keep feelin' on me Zoom with me baby
Zoom with me baby

Yeah yeah Oh girl you're so sweet to me
I love it when you're zoomin'
Oh girl you're so sweet to me
I love it when we're zoomin'
Oh girl you're so sweet to me
I love it when you're zoomin'
Oh girl you're so sweet to me

I love it when we're zoomin' Help me take off my Balmain jeans (Help me)
Help me take off my Balmain jeans
