

# Solomon's Ashes (B-Side)

## NEEDTOBREATHE

I've got a Savior who makes solomon's ashes  
Danced from the grave with your beauty and grace  
I've got to say that I'm constantly shaken  
Like waves from the sea I am moved by your faith  
Oh I've got a Savior Don't take for granite what you got honey  
Rock honey

You are the heiress to my throne  
strong enough to be a kings lady  
Please baby

Don't leave me standing here alone

Oh I've got to say that I'm constantly shaken  
Like waves from the sea I am moved by your faith  
I've got a Savior who makes solomon's ashes  
Danced from the grave with your beauty and grace  
Oh I've got a Savior I can't stop but I can play for it  
Play for me

I'm on the weight of what I know  
Your like the secret never told, darling  
Go darling

Shake the ground I am standing on Oh I've got to say that I'm constantly shaken  
Like waves from the sea I am moved by your faith  
I've got a Savior who makes solomon's ashes  
Danced from the grave with your beauty and grace  
Oh I've got a Savior  
I got to say

Oh I got to say I've got to say that I'm constantly shaken  
Like waves from the sea I am moved by your faith  
I've got a Savior who makes solomon's ashes  
Danced from the grave with your beauty and grace  
Oh I've got a Savior I got to say
