

# Week Without You

Miley Cyrus

If I spent a week without you  
Bet you'd wonder what I do  
I think that I'd start going out  
Get caught kissing other dudes And it seems you just wanna bring me down, down  
With your bad attitude (bad attitude)  
When you know I'm not one to keep dealing with the shit  
That you put me through I know that I gave you my heart  
But you stomped it to the ground  
And that's what's got me wondering what it's like  
To not have you around If I spend a week without you  
Hmm, I'd probably have so much fun  
First thing first I'd gather up all my girls, yeah  
So we can lay out in the sun  
It would be so nice not to worry, yeah  
How I love not to stress  
I'd go and grab my old blue jeans  
I'm sick of wearing this silly dress I know that I gave you my heart  
But you stomped it to the ground  
And that's what's got me wondering what it's like  
To not have you around You know I miss you, baby  
Feels like I've known you since I was just seven years old  
You used to make me smile but now you don't do that anymore  
It feels like I'm always just crying and sleeping alone  
But when I think of you gone, I know I know that I gave you my heart  
But you stomped it to the ground  
I wanna wonder what it's like  
To not have you around  
To not have you around  
To not have you around  
To not have you around  
To not have you around You know I miss you, baby  
You know I miss you, baby  
You know I miss you, baby
