What's the Difference (feat. Eminem & Xzibit)

Dr. Dre

What's the difference between me and you?

What's the difference between me and you? Back when cube was rollin' wit Lorenzo in a Benzo I was bangin' wit a gang of instrumentals

Got the pens and pencils, got down to business, but sometimes

The business end of this shit can turn your friends against youBut you was a real nigga, I could sense it in you

I still remember the window of the car that you went through That's fucked up, but I'll never forget the shit we've been through

And I'ma do whatever it takes to convince you

'Cuz you my nigga doc, and eazy I'm still wit you

Fuck the beef, nigga I miss you, and that's just bein' real wit you You see the truth is everybody wanna know how close me and snoop is

And who I'm still cool wit

Then I got these fake ass niggaz I first drew with

Claimin' that they non-violent talkin' like they

Spit venom in interviews, speakin' on reunions

Move units, then talk shit and we can do this

Until then I ain't even speakin' your name

Just keep my name outta yo' mouth and we can keep it the same

Nigga, it ain't that I'm too big to listen to the rumors

It's just that I'm too damn big to pay attention to 'em

That's the differenceWhat's the difference between me and you?

You talk a good one but you don't do what you supposed to do

I act on what I feel and never deal wit emotions

I'm used to livin' big dog style and straight coastin'What's the difference between me and you?

You talk a good one but you don't do what you supposed to do

I act on what I feel and never deal wit emotions

I'm used to livin' big dog style and straight coastin'

Yo I stay wit it

While you try to perpetrate, play wit it

Never knew about the next level until Dre did it

(Did it)

I stay committed while you motherfuckers baby sited

I smash you critics like a overhand right from riddick

(Yeah)

Come and get it, shifted on villains by the millions

I be catchin' bitches while bitches be catchin' feelings

So what the fuck am I supposed to do?

I pop bottles and hot hollow points at each and all of you

(Come on)A heartless bastard, high and plastered

My style is like the reaction from too much acid, never come down

Pass it around if you can't handle it

Hang Hollywood niggaz by they soul train laminates What's the difference between me and you? (What?)

About five back accounts, three ounces and two vehicles Until my death, I'm Bangladesh

I suggest you hold yo' breath till ain't none left

Yo that's the differenceWhat's the difference between me and you?

You talk a good one but you don't do what you supposed to do

I act on what I feel and never deal wit emotions

I'm used to livin' big dog style and straight coastin'What's the difference between me and you?

You talk a good one but you don't do what you supposed to do

I act on what I feel and never deal wit emotions

I'm used to livin' big dog style and straight coastin'Aight, hold up hold up

Stop the beat a minute! I got somethin' to say

Dre, I wanna tell you this shit right now

While this fuckin' weed is in me

(The fuck!)

I don't know if I ever told you this, but I love you dawg
I got your motherfuckin' back, just know this shit
Right? Slim, I don't know if you noticed it

But I've had your back from day one, nigga let's blow this bitch I mean it dawg, you ever need somebody offed who's throat is it?

Well if you ever kill that Kim bitch, I'll show you where the ocean isWell that's cool, and I appreciate the offer

But if I do decide to really murder my daughter's momma I'ma sit her up in the front seat and put sunglasses on her And cruise around wit her for seven hours through California And have her wavin' at people then drop her off on the corner

At the police station and drive off honkin' the horn for her Raw dawg, get your arm gnawed off

Drop the sawed off and beat you wit the piece it was sawed off ofFuck blood, I wanna see some lungs coughed up

Get shot up in the hot tub til the bubbles pop up

And they nose and cough snot up, mucus in hot water

That's for tryin' to talk like the chronic was lost product

That's for even thinkin' of havin' them thoughts thought up

You better show some respect whenever the doc's brought up!

So what's the difference between us? We can start at the penis

Or we can scream, "I just don't give a fuck" and see who means itWhat's the difference between me and you?

You talk a good one but you don't do what you supposed to do

I act on what I feel and never deal wit emotions

I'm used to livin' big dog style and straight coastin'What's the difference between me and you?

You talk a good one but you don't do what you supposed to do

I act on what I feel and never deal wit emotions

I'm used to livin' big dog style and straight coastin'What's the difference between me and you?
