

Everything Is Not What It Seems

Selena Gomez

Well you know everything's gonna be a breeze
That the end will no doubt justify the means
You can fix any problem with the slightest of ease(Yes please)When you might find out
It'll go to your head
When you write a report
On a book you never read
With the snap of your fingers
You can make your bed
That's what I said
Everything is not what it seems
When you can get all you wanted
In your wildest dreams
You might run into trouble
If you go to extremes
Because everything is not what it seems
Be careful not to mess with the balance of things
Because everything is not what it seems
