Get It On (feat. Wayne Wonder)

Buju Banton & Wayne Wonder

(wayne) put yourself in my position.
it's the moment of decision.
got to love you like a real man.
let us have some fun.
(buju)
when you ready you to come come
fit up me self already no man nah go run run pleasure satisfaction alone me bring down down.
penis stiff up like a pencil hear a beat like a dum dum.
man nuh afraid a woman brave heart man a uh dum dum.
love you make you simmer and settle like a run down.
touch you body right and make you say its well done
nah give her a half me a make she view the whole spectrum.
woman just bring on the fun.
i'm gonna love you like its never been done.
take on a level plane and set your equilibrium.
no escaping no turning back and no place to run woman a melt she a the butter me a the sun.
(wayne)
try my best to make it better satisfy you bring you pleasure in your life.
other guys would die to do whatever acting smart not being clever no not i.
(buju)
man a make love to woman them a look up inna space.
nah feel no pleasure him nuh penetrate.
she want test her fate.
hold on and brace get up tired and tried and ball fi body ace.
see the hussy carry the money make him confiscate. you rather have a man with whom ou can relate. first you be fair
not varity fair the something the you have by right it has to share.
