

# ARE YOU OK?

Daniel Caesar

Are you ok?  
Been starin' at you face, from across the room now  
You seem out of placeIt's a new day, the people know your name  
They smile when they see you  
So why the long face?  
Oh, ohBack on my shit, my bullshit that is  
It feels so good to hold you, in my arms  
We both know it's wrongI sing these songs, it's therapy you need  
Need to, see right through you  
Like you see through me  
Me and my niggas gettin' paper  
Highly blessed and highly favored  
We ain't askin' for no favors  
In Cali smokin' hella flavorsMe and my niggas gettin' paper  
Highly blessed and highly favored  
We ain't askin' for no favors  
We in Cali smokin' hella flavorsSweet Emily, my bride-to-be  
Struggle with me, financiallyAye, ya, ya,  
Aye, ya, ya  
Aye, ya, ya,  
Aye, ya, yaChef boy, y'all see  
Still cookin' up trouble like woe is me  
I know I piss my girl off but oh Heaven, why'd she leave me?  
Why'd she leave me?  
The chef boy, y'all see  
Still cookin' up trouble like woe is me  
This shit ain't easyI know I piss my girl off but oh Heaven, why'd she leave me?  
I watch the snow melt, slowly day by day  
Green nights past it all melted it away  
I know it will return and while things they have changed  
It's best it stays the same, old things alwaysEmily please don't be my enemy  
You were such a friend of me  
I'm sorry for my energy  
I'm sorry for my-, rest assuredThe day I won't be, insecure  
You deserve the world to know  
Next time I knock at your door  
Next time I knock- (Ay, ya, ya, ya)
