

# Running With the Night

Lionel Richie

The heart of the city street was beating  
Light from the neons turned the dark to day  
We were too hot to think of sleeping  
We had to get out before the magic got away  
We were running with the night  
Playing in the shadows  
Just you and I  
'Til the morning light  
(we were running)  
Oh  
(running with the night)  
You were looking so good girl  
Heads were turning  
You and me on the town  
Ooh, we let it all hang out  
The fire was in us  
We were burning  
We were gonna go all the way  
And we never had a doubt  
We were running with the night  
Playing in the shadows  
Just you and I  
'Til the morning light  
(we were running)  
Oh-oh-oh-oh...  
(running with the night)  
We were so in love you and me  
On the boulevard wild and free  
Giving all we got  
We laid it down  
Taking every shot  
We took the town  
We were running with the night  
Playing in the shadows  
Just you and I  
Girl it was so right... so right...  
Oh (running with the night)  
(oooo-oooo...)  
(oooo-oooo...)  
(ah-ah, ah-ah, ah-ah)  
Just you and I  
(running with the night)  
We were running with the night  
Playing in the shadows

Just you and I  
Girl it was so right  
(we were running)  
Girl was so right  
(running with the night)  
(so right so right...)  
So right
