

I'm a Midnight Mover

Bobby Womack

I'm a midnight mover, all-night groover
I'm a midnight teaser, real soul pleaser
I'm a midnight hugger, all-night lover
Trust in me when you're down & out
I will always bring you out
Yaeh, oh yeah. I'm a midnight teaser, real soul pleaser
I'm a midnight rover, after lookin' things over
I'm a midnight creeper, all-day sleeper
Trust in me when you're down & out
I will always bring you out
Oh, ohh.
Mover, groover, teaser, hugger,
walker, talker, lover, walker
Got to be a midnight mover
Got to be a midnight mover
Got to be a midnight mover... .
