I was all in the club sippin some Hen
Smokin on a blunt of dro
When a peep this lil hoe out
I was all in the bar when driftaa
Shorty damn came over then she hit the floor now
See through dress long hair light brown eyes
Look like Ms. Bo Peek
And a nigga know if I take her home with them wide ass hips
Your damn right I'm gon beat
So I uhh approached the chick with the real pretty face
Big ass booty and a little big waist
I whispered in her ear lil mama what you drink
I know you a freak but you know I aint gonna say shit
See my game is outrageous I got her to the crib
And exchanged some f**k faces
But it wasn't no use for me to rush to bust one cuz I wanted her to have an eruptionSexual
Eruption (A sexual eruption)
Sexual Eruption (woah, an orgasm)
Sexual Eruption
