

Crybaby (feat. Theron Theron)

Pia Mia

They call me a crybaby
Why, baby?
Can't keep tears out my eyes latelyCrybaby, crybaby (On, and on, and on)
They call me a crybaby
Why, baby?
Can't keep tears out my eyes lately
Crybaby, crybaby (On, and on, and on, and)They say I'm pretty, they say I'm flyer than ever
Say I got all my sh- together
They say I'm cool, they say I set all the trends
All of my friends think they're tens
They say I'm perfect, I think I'm not
They say I'm gangster, they say I'm pop
They say I'm tryna be something I'm not
One thing I know, is they sure say a lot
And if only they knew I was less like that, and more like you
If only you knew (If only you knew)
I'm just misunderstood (What?)
I'm out here just doin' the best that I could
Just misunderstood (Let's go)They call me a crybaby
Why, baby?
Can't keep tears out my eyes lately
Crybaby, crybaby (On, and on, and on)
They call me a crybaby
Why, baby?
Can't keep tears out my eyes lately
Crybaby, crybaby (On, and on, and on, and)
I'm not complaning, merely explaining
See, I'm a youngin' out here just maintaining
I get a bit emotional, up and down like roller coasters go (You know, you know)
They say I'm single, I'm dating
I'm faithful, I'm creeping
They know more about me than I do
They say I'm spoilt and I'm rotten
They say that I'm poppin', I feel like I'm more up-and-comingAnd if only they knew I was less
like that, and more like you
If only you knew
I'm just misunderstood (What?)
I'm out here just going the best that I could
Just misundertoodThey call me a crybaby
Why, baby?
Can't keep tears out my eyes lately
Crybaby, crybaby (On, and on, and on)

They call me a crybaby
