I'm a Cruiser

Village People

I'm in need of someone todayI'm a cruiser
I'm a cruiserStop a while and listen to me
You and I can sit down for tea
I'm a cruiser
Oh baby, I'm a cruiser
When i see someone whos looking so fine
you cant believe I react everytime
I scream, ooouuhh
You sexy thing
You are the finest thing i've seen today
I am so glad that you passed by my way
I'm a cruiser
Oh baby, I'm a cruiser
Yes, I'm taking you out to better believe I've got no doubts
I'm gonna get next to you if it's the last thing i do, I'm a cruiser!
choosing everything i see!
(I'm a cruiser)
ooh, you look so fine to me!
(I'm a cruiser)
Yeah yeah yeah, I'm a cruiser
When i see someone that i like
In a car or riding a bike
I'm a cruiser
I'm a cruiser
I think you are sexy and sweet
one hot date would be such a treat
I'm a cruiser
Oh baby, I'm a cruiserYes I'm in need of some band-aid today
