

# I'm a Cruiser

## Village People

I'm in need of someone today I'm a cruiser  
I'm a cruiser Stop a while and listen to me  
You and I can sit down for tea  
I'm a cruiser  
Oh baby, I'm a cruiser  
When i see someone whos looking so fine  
you cant believe I react everytime  
I scream, ooouuhh  
You sexy thing  
You are the finest thing i've seen today  
I am so glad that you passed by my way  
I'm a cruiser  
Oh baby, I'm a cruiser  
Yes, I'm taking you out to better believe I've got no doubts  
I'm gonna get next to you if it's the last thing i do, I'm a cruiser!  
choosing everything i see!  
(I'm a cruiser)  
ooh, you look so fine to me!  
(I'm a cruiser)  
Yeah yeah yeah, I'm a cruiser  
When i see someone that i like  
In a car or riding a bike  
I'm a cruiser  
I'm a cruiser  
I think you are sexy and sweet  
one hot date would be such a treat  
I'm a cruiser  
Oh baby, I'm a cruiser Yes I'm in need of some band-aid today
