

# Radio Message

R. Kelly

This is a radio message to my baby  
And I'm begging her, come back, come back  
Come back, come back, come back I'm sorry that I made you cry  
I'm sorry for, for the rest of my life  
And I'm sorry that I hurt you  
Girl, I'm sorry for lying to you And I'm lost without you  
'Cause I'm all about you  
Brought you here to stay, o man, o me  
I'm going crazy 'cause I lost my best friend Can you hear me, can you forgive me?  
I don't want no tickets, no limo ride  
I'm the next caller on the line  
This is a radio message to my baby  
And I'm begging her come back  
Come back, come back, please come back  
Won't you come back? This is a radio message to my baby  
And I'm begging her come back  
Come back, come back, come back, come back And I'm sorry for treating you that way  
I'm sorry for all of the silly mistakes  
Sorry I didn't do what I promised  
And I'm sorry you're sorry that we ever met And I'm lost without you  
'Cause I'm all about you  
Brought you here to stay, o man, o me  
I'm going crazy cause I lost my best friend Can you hear me, can you forgive me?  
'Cause I don't want no tickets, no limo ride  
I'm the next caller on the line  
And this is a radio message to my baby  
And I'm begging her come back  
Come back, come back, come back, come back Somebody let this record just rotate  
'Til my baby come back let it rotate  
'Cause I need, I need her right back with me  
So let it rotate Whatever it take to play this record  
I need her to hear this record  
So please let it rotate  
'Cause I'm the next caller on the line This is a radio message to my baby  
And I'm begging her come back  
Come back, come back, come back, come back  
This is a radio message to my baby  
I'm begging her come back  
Come back, come back  
I need you to come back  
I need you to come back  
I need you to come back

Need you to come back  
Baby, come back, oh yeah  
Please
