

# Storms

## Fleetwood Mac

Every night that goes between  
I feel a little less  
As you slowly go away from me  
This is only another test Every night you do not come  
Your softness fades away  
Did I ever really care that much  
Is there anything left to say Every hour of fear I spend  
My body tries to cry  
Living through each empty night  
A deadly call inside I haven't felt this way I feel  
Since many a year ago  
But in those years and the lifetimes past  
I did not deal with the road  
And I did not deal with you, I know  
Though the love has always been  
So I search to find an answer there  
So I can truly win Every hour of fear I spend  
My body tries to cry  
Living through each empty night  
A deadly call inside So I try to say goodbye my friend  
I'd like to leave you with something warm  
But never have I been a blue calm sea  
I have always been a storm  
Always been a storm  
Ooh, always been a storm  
I have always been a storm  
We were frail  
She said, "Every night he will break your heart"  
I should have known from the first I'd be the broken hearted  
I loved you from the start  
Save us

And not all the prayers in the world could save us
