

# Jealousy

## Brokencyde

Now I can feel it I'm seconds away from everything  
And anything that gets in my way I will break with energy  
Disintegrating, these thoughts are fading so vagrantly  
This rage in me will end thee existence of all fake emcees  
Now I can see it, it's something a little different  
It's the gimmick I created and made it into an image  
The dull particles of my brain, I am not finished  
This is only the beginning of my rhyming experience  
**SO TAKE!**  
Everything away from me  
cause I don't want a piece of you connected to me and my crew  
**SO TAKE!**  
Everything away from me  
cause I don't want you to interfere with what I've created  
You don't want a piece of me  
I can feel you when you reach for me  
**YOU'RE JUST FILLED WITH JEALOUSY!**  
**YOU'RE JUST FILLED WITH JEALOUSY!**  
Please don't take my breath from me  
You've taken all that's left from me  
**YOU'RE JUST FILLED WITH JEALOUSY!**  
**YOU'RE JUST FILLED WITH JEALOUSY!** Taking everything away from what you said  
I can feel it everywhere  
I GO! I GO! I feel it where I go  
Taking everything away from what you said  
I don't want to die  
**WITHOUT YOU!**  
**WITHOUT YOU!**  
NOOO!  
You don't want a piece of me  
I can feel you when you reach for me  
**YOU'RE JUST FILLED WITH JEALOUSY!**  
**YOU'RE JUST FILLED WITH JEALOUSY!**  
Please don't take my breath from me  
You've taken all that's left from me  
**YOU'RE JUST FILLED WITH JEALOUSY!**  
**YOU'RE JUST FILLED WITH JEALOUSY!** You take my existence  
My existence is everything I have
