

# Something Good

**Seth MacFarlane**

Perhaps I had a wicked childhood  
Perhaps I had a miserable youth  
But somewhere in my wicked miserable past  
I must have had a moment of truthFor here you are, standing there  
Loving me whether or not you should  
So somewhere in my youth or childhood  
I must have done something goodNothing comes from nothing  
Nothing ever could  
So somewhere in my youth or childhood  
I must have done something goodFor here you are, standing there  
Loving me whether or not you should  
So somewhere in my youth or very wicked childhood  
I must have done something good  
Nothing comes from nothing  
Nothing ever could  
So some where in my youth or childhood  
I must have done something good
