

# Ginuwine 4 Ur Mind

## Ginuwine

[Chorus]

I'm gonna make it happen  
Ginuwine 4 Ur Mind [x3]  
I'm gonna make it happen  
Ginuwine one time I wanted to tell you how I feel  
So you can know the real deal  
I want me a lady  
So I can carry on cuz my love is strong  
Run deeper than the water's deep  
Tell me baby can you get with me  
I'm lookin' for someone whose down  
to have my back and always stay around

[Chorus]

(It's Ginuwine 4 Ur Mind)  
(Can you feel me)  
(I'm gonna make it happen every time) Come with me coz I'm scoping you  
Only I can do the things I do  
Fill you up until you say when  
I'll take you round the world  
And we'll go back again  
I'm feelin' big cuz I've got much to give  
I satisfy cuz that's the way I live  
You're dealin with a real man  
And only things can do the things I can [Chorus]

(Ginuwine)

(You)

(Ginuwine 4 Ur Mind)

[Bridge]

Give me just 1 chance  
I'll fulfill your needs  
I'm just a real 'G'  
Can you get with me
