

# Gifts From God (feat. Chris Lane)

Chris Tomlin

Back when I was a kid  
I thought gifts from God only came from church  
But the more that I live  
The more I learn, it's not always the way it works  
Sometimes you don't see it till your looking back  
When ya didn't get what ya thought ya had to have  
'Cause He had a bigger plan than the one you had  
Yours didn't work out and aren't you glad? When you take a look around it ain't hard to find  
Everybody's got things that money can't buy  
If the ones ya love are sitting right beside ya  
Then I'd say ya got a lot  
The best things in life are straight from His hands  
It's like we're raising kids on a piece of land  
A little piece of mind when the day is done  
Where ya think that comes from?  
That's gifts from God  
Ah yeah  
It makes ya thankful for the hills that we climb  
For the waves that we ride  
For the lows and the highs  
For the wrongs made right  
For the songs we sing  
For the dreams we dream  
Makes ya thankful for everything When you take a look around, it ain't hard to find  
Everybody's got things that money can't buy  
If the ones ya love are sitting right beside ya  
Then I'd say ya got a lot  
The best things in life are straight from His hands  
It's like we're raising kids on a piece of land  
A little piece of mind when the day is done  
Where ya think that comes from?  
That's gifts from God  
You know that's gifts from God  
Hallelujah, every day's a gift from God  
Hallelujah, every day's a gift  
Hallelujah, every day's a gift from God  
Hallelujah every day's a gift When you take a look around it ain't hard to find  
Everybody's got things that money can't buy  
If the ones ya love are sitting right beside ya  
Then I'd say ya got a lot  
The best things in life are straight from His hands  
It's like we're raising kids on a piece of land (On a piece of land)

A little piece of mind when the day is done  
Where ya think that comes from?  
That's gifts from God(Hallelujah)  
Where ya think that comes from?  
That's gifts from God  
(Hallelujah)  
You know that's gifts from God  
(Hallelujah)  
Every day's a gift from God  
(Hallelujah)  
Every day's a gift  
Gifts from God
