

Life Round Here (feat. Chance The Rapper)

James Blake

Part time love is life round here
We never done
Everything feels like touchdown on a rainy day
Part time love is life round here
We never done Now we're at square one
And we waited too long
So we're back to square one We never done Part time love is life round here
We never done
Everything feels like touchdown on a rainy day
Part time love is life round here
We never done
Everything feels like touchdown on a rainy day
Part time love is life round here
We never done
Now we're at square one
And we waited too long
So we're back to square one
So we're back to square one Part time love is life round here
We never done
Part time love is life round here
We never done
Everything feels like touchdown on a rainy day
Part time love is life round here
We never done
Every...
Part time love
We never done
Everything feels like touchdown on a rainy day
Part time love is life round here
We never done
Every
