

# How High (feat. Lloyd)

Curren\$y

Awwwwwwwaw awwwwwwwawwwwwwwww  
awwwwwwwwwwwwwyeahto me girllight itawwwwwwgive it to me girlohhhhhhhhhhhhh yeahhh  
first off, dont be askin questions  
if you gon ride, you gon ride just accept yo blessin's  
second step watch how you flick yo ashes  
if you can't handle this gas, I ain't about to pass it  
this a present to be in the presence  
every moment is precious  
baby let us cherish  
say what you feel mama, you ain't got to be embarressed  
yo eyes dont lie, I see how bad you wanna let me have it  
all evening we been smokin green, and laughin she  
say my sense of humor wild attractive  
my diamonds dancin in that street light traffic  
i think it might be that  
she say it aint cuz i rap but i think all that's a trap  
still a fact we gon bust moves  
get stoned have a crush grove  
play some fuck tunes  
that she'll fuck to  
shower up, smoke a few, i'm back in the coupe  
whatchu gettin into tonight  
can you come thru tonight  
and if its me n you tonight  
we gon do all the things you like  
what's on yo mind girl I wanna know  
just how high do you wanna go  
so girl dont be difficult  
just roll it  
light it  
please dont fight itmy 84 Caprice on chrome Zenith's  
hittin switches front end out the arena  
she from New Orleans like me  
she say she aint never seen one  
i been rappin n travelin my cousins in Cali been havin em  
park the rider then im off in that Benz wagon  
like a Miami Vice dope deal when we throw them bags in  
Monogram taggin Louis Vuitton, Gucci's on Goyard  
oh Lord, they put some real niggas on  
she look like Lisa Lisa, Im gon take her homes  
well not my actual house you know what Im talkin bout  
we gotta work up to all that, see if you really down

summer time we throw free parties, represent my town  
my crew G's you stay cool and Im gon bring you 'round  
play yo part, you gon earn a crown  
diamonds yellow and the liquour brown  
shots, shots til she goin down  
til she goinwhatchu gettin into tonight  
can you come thru tonight  
and if its me n you tonight  
we gon do all the things you like  
what's on yo mind girl I wanna know  
just how high do you wanna go  
so girl dont be difficult  
just roll it  
light it  
please dont fight itif you rollin with me girl  
give it to me baby  
oh, give it to me babyplease don't fight it
