

Burn

Rob Zombie

Burn into darkness
The last unholy reject
Burn as the world ends
Stand accused and count this
Burn out the stigma
A murder done in portrait
Burn up the fortress
The last unholy reject Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Burn as the angels
Worm into the fixes
Burn with the facts of
Optic dimension
Burn with the hero
Splashing on the highway
Burn like a cable
Strung across it sideways Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Burn into darkness
The last unholy reject
Burn as the world ends
Stand accused and count this

Burn out the stigma
A murder done in portrait
Burn up the fortress
The last unholy reject Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
Papa oom mow mow
Papa oom mow
