

# Windowsill

## Arcade Fire

I don't wanna hear the noises on TV  
I don't want the salesmen coming after me  
I don't wanna live in my father's house no moreI don't want it faster, I don't want it free  
I don't wanna show you what they done to me  
I don't wanna live in my father's house no moreI don't wanna choose black or blue  
I don't wanna see what they done to you  
I don't wanna live in my father's house no moreBecause the tide is high  
And it's rising still  
And I don't wanna see it at my windowsillI don't wanna give 'em my name and address  
I don't wanna see what happens next  
I don't wanna live in my father's house no more  
I don't wanna live with my father's debt  
You can't forgive what you can't forget  
I don't wanna live in my father's house no moreI don't wanna fight in a holy war  
I don't want the salesmen knocking at my door  
I don't wanna live in America no moreBecause the tide is high  
And it's rising still  
And I don't wanna see it at my windowsillI don't wanna see it at my windowsill  
I don't wanna see it at my windowsill  
I don't wanna see it at my windowsillMTV, what have you done to me?  
Save my soul, set me free  
Set me free, what have you done to me?  
I can't breathe, I can't see  
World War III, when are you coming for me?  
Been kicking up sparks, we set the flames freeThe windows are locked now, so what'll it be?  
A house on fire or a rising sea?Why is the night so still?  
Why did I take the pill?  
Because I don't wanna see it at my windowsillI don't wanna see it at my windowsill  
I don't wanna see it at my windowsill  
I don't wanna see it at my windowsillI don't wanna see it at my windowsill  
I don't wanna see it at my windowsill  
I don't wanna see it at my windowsill  
I don't wanna see it at my windowsill
