Hurt

Christina Aguilera

Seems like it was yesterday when I saw your face You told me how proud you were but I walked away If only I knew what I know today Ooh oohI would hold you in my arms I would take the pain away Thank you for all you've done Forgive all your mistakes. There's nothing I wouldn't do To hear your voice again. Sometimes I wanna call you but I know you won't be there Oh, I'm sorry for blaming you for everything I just couldn't do And I've hurt myself by hurting youSome days I feel broke inside but I won't admit Sometimes I just wanna hide 'cause it's you I miss And it's so hard to say goodbye when it comes to this, ooh, whoaWould you tell me I was wrong? Would you help me understand? Are you looking down upon me? Are you proud of who I am? There's nothing I wouldn't do To have just one more chance To look into your eyes and see you looking backOh, I'm sorry for blaming you for everything I just couldn't do And I've hurt myself, oh, oh, oh. If I had just one more day I would tell you how much that I've missed you since you've been away Oh, it's dangerous It's so out of line To try and turn back timeI'm sorry for blaming you for everything I just couldn't do And I've hurt myself by hurting you Song Discussions is protected by U.S. Patent 9401941.
