

All of You

Vertical Horizon

So you say, I'm too quiet
Holding things up in my head
I say so much but you don't buy it
I don't want to wake up
Alone in my head, ow Say that you'll never go now
Don't go
Don't go I need a lot of you
I want a lot of you
I need a lot of you
All of you I tend to think, I'm getting nowhere
I drag it out whenever I can
Someday, I'll get back there
And find the world
You dropped from your hand, ow
Some things you'll never show now
I know
I know I need a lot of you
Oh, I want a lot of you
I need a lot of you
All of you (Do, do, do)
Watch you coming up
(Do, do, do)
Out on top now
(Do, do, do)
Watch you coming up
(Do, do, do) I need a lot of you
Oh, I want a lot of you
I need a lot of you
All of you
(When the lights go down)
I need a lot of you
(When the lights go down)
Oh, I want all of you
(When the lights go down)
I need a lot of you
All of you
Yeah, all of you
