

# Language of the Heart

David Wilcox

We made our warm bed out of blankets  
In the meadow way up high  
You took off your dress in the moonlight  
To sleep beneath the sky Your touch was a warm summer ocean  
Your kiss made the whole mountain fly  
And you looked deep within me and smiled  
At the tears in my eyes Now you can say that you always were honest  
And your words were clear from the start  
But it's more than just words that got spoken  
There was language of the heart I won't keep on calling your number  
If you never have the time  
I don't want to claim you or blame you  
But you're always on my mind  
You had no idea I would love you  
It comes as a total surprise  
And you shake your head slowly and smile  
At the tears in my eyes And you can say that you always were honest  
And your words were clear from the start  
But it's more than just words that got spoken  
There was language of the heart Your eyes like an ocean  
Of clear sunlit green  
My eyes with the salt water  
Wash me clean again And just imagine you whispered a secret  
That could take away my blues  
And you let me believe it to please me  
Though it just wasn't true  
You just meant to share with me pleasure  
And your gifted at what you do  
But your speaking an unspoken language  
I thought that you knew It's one that we all learn by heart  
And our hearts think it's true But you can say that you always were honest  
And your words were clear from the start  
But it's more than just words that got spoken  
There was language of the heart, language of the heart
