

G.U.Y.

Lady Gaga

Greetings, Himeros
God of sexual desire, son of Aphrodite
Lay back, and feast as this audio guides you
Through new and exciting positions I wanna be the girl under you
I wanna be your G.U.Y.
Oh yeah, I wanna be the grave unearth you
Our sex doesn't tell us no lies I'm gonna wear the tie
Want the power to leave you
I'm aiming for full control of this love (of this love) Touch me, touch me, don't be sweet
Love me, love me, please retweet
Let me be the girl under you that makes you cry
I wanna be that GUY (G.U.Y.)
I wanna be that GUY (G.U.Y.)
I wanna be that GUY (G.U.Y.)
The girl under you, GUY I'm gonna say the word and own you
You'll be my G.I.R.L
"Guy I'm Romancing Loves" to hold you
Know you'll wear my make-up well I'm gonna wear the tie
Want the power to leave you
I'm aiming for full control of this love (of this love) Touch me, touch me, don't be sweet
Love me, love me, please retweet
Let me be the girl under you that makes you cry I wanna be that GUY (G.U.Y.)
I wanna be that GUY (G.U.Y.)
I wanna be that GUY (G.U.Y.)
The girl under you, GUY
I don't need to be on top to know I'm worth it
'Cause I'm strong enough to know the truth I just want it to be hot
Because I'm best when I'm in love
And I'm in love with you Touch me, touch me
(Mount your goddess)
Touch me, touch me
(As summer moon comes into full phase)
Get on top of me
(And Mars' warring spirit rams into the atmosphere) Touch me, touch me, don't be shy
I'm in charge like a G.U.Y.
I'll lay down face up this time
Under you like a G.U.Y. I wanna be that GUY (G.U.Y.)
I wanna be that GUY (G.U.Y.)
I wanna be that GUY (G.U.Y.)
The girl under you, GUY I wanna be that GUY (G.U.Y.)
I'll wreck you right up, GUY (G.U.Y.)
I'll lie down face up, GUY (G.U.Y.) (achtzehn)

The girl under you, (sechzehn) GUYFourteen, vierzehn, drei, eins
Nein, Zedd!
Nein, Zedd!
Nein, Zedd!
Nein, Zedd!
