Nothing to Remember

Neko Case

I spend my life
Becoming invisible
It's hard to maintain
And it's hard to get by
I don't recall
Fight or flight setting in
I have no introduction
I just breath it in like the air
And theres nothing to remember
There is nothing to rememberI owe you nothing
That's all I've got for you
And you'll borrow nothing
That's what you expect of me
So send me a lot
Out of thin sailors knots
And I fear underneath
Your radiant thoughts
My footsteps now
They will echo loudlyAll I owe, all I owe
Strides I spend to the finish line
All I owe, all I owe
Strides I spend to the finish line
I'll give you thoseYou told me something
That scared me to death
Don't take me home
I can't face that yet
I'm ashamed that I'm barely human
And I'm ashamed that
I don't have a heart you can break
I'm just action
And at other times reaction
All I owe, all I owe
Strides I spend to the finish line
All I owe, all I owe
Strides I spend to the finish line
I'll give you thoseJust don't make me go home
Give me something to remember
Give me something to remember
Give me something to remember
