

# There She Go (feat. YFN Lucci)

## PnB Rock

There She Go (3×)  
oh Yeahh Yeah  
Every time she walk by Every time she walk by Every time she walk by  
I Be like there she go  
Every time she walk by I can see In her Eyes  
Shawty be feeling my vibe I be like there she go  
Every time she walk by Every time she walk by Every time she walk by  
I Be like there she go  
Every time she walk by I can see In her Eyes  
Shawty be feeling my vibe I be like there she go  
I Be Like There She Go  
She cant stand these hoes  
She dont even know  
She the only one i want  
She'on Know she got me chasing  
When I see her my heart be racing  
But she'on Know Im so impaient  
So put your number in my phoneeee  
ill hit you up when i get homeee  
Cause lately I been on the roaddd  
But You can help me count this doughhhh Yeah  
Yeahh you can meet me at the west-in  
Shawty you can bring your bestfriend  
Ain't no need for all this texting  
Because shawty i get the message  
We can kick It beat it like Seconds  
And you can meet me at the west-in  
Shawty you can bring your bestfriend  
Ain't no need for all this texting  
Because shawty i get the message  
We can kick I beat it like Seconds  
Every time she walk by Every time she walk by Every time she walk by  
I Be like there she go  
Every time she walk by I can see In her Eyes  
Shawty be feeling my vibe I be like there she go  
Every time she walk by Every time she walk by Every time she walk by  
I Be like there she go  
Every time she walk by I can see In her Eyes  
Shawty be feeling my vibe I be like there she go  
There she go there she go lil mama badder than 3 [?]  
Damn Im trying to be with her  
I Done damn near spent key on her

Yeah lock you down throw away the key and I Aint gonna release you girl  
We can break up 3 times a week  
But I aint gone never leave girl  
Never ever switch up  
See I Never Ever Build from Ya  
And Ill never fail Ya  
If she seen a rat she'll never tell ya  
Ohha Love me for ever ever  
And as long my heart beat you the one that got a part of me  
You was there before the start of me  
Oh Man [?] I Was Standing In pictures  
Now I Gottcha In red bottoms  
We was at the bottom now we different  
Now day Im In a red merce with a red... [?]  
Now a day stuff a 50 in her purse and let her know that I Miss her
