

# Keep on Singin' My Song

Christina Aguilera

Oohhh, yeah, oooh huh  
I woke up this morning with a smile on my face  
And nobody's gonna bring me down today  
Been feeling like nothing's been going my way lately  
But I decided right here, right now, that my outlooks gonna change  
That's why I'm gonna  
Say goodbye to all the tears I've cried  
Everytime somebody hurt my pride  
Feelin' like they won't let me live life  
And take the time to look at what is mine I see every blessing so clearly  
And I thank god for what I got from above  
I believe they can take anything from me  
But they can't succeed in taking my inner peace from me  
They can say all they wanna say about me, but I'm  
I'm gonna carry on (carry on)  
I'mma keep on (keep on) singin' my song I never wanna dwell on the pain again  
There's no use in relivin' how I hurt back then  
Rememberin' too well the hell I felt when I was runnin' out of faith  
Every step I'm 'bout to take well it's towards a better day  
Cause I'm about to  
Say farewell to every single lie And all the fears I've held too long inside  
Everytime I felt I couldn't try  
All the negativity and strife  
Cause too long I've been strugglin', couldn't go on  
But now I've found I'm feelin' strong and I'm moving on  
I believe they can take anything from me  
But they can't succeed in taking my inner peace from me They can say all they wanna say about  
me, but I'm  
I'm gonna carry on (carry on)  
I'mma keep on (keep on) singin' my song  
Everytime I tried to be what they wanted from me  
It never came naturally, so I ended up in misery Was unable to see all the good around me  
Wasting so much energy on what they thought of me  
Than simply just rememberin' to breathe, I've learned  
I'm humanly unable to please everyone at the same time  
So now I find my peace of mind living one day at a time  
In the end I answer to one god  
Comes down to one love Till I get to heaven above  
I have made the decision Never to give in  
Till the day I die no matter what  
I'm gonna carry on, I'mma keep on singin' my song...  
(They can't take anything from me)

I believe that they can do what they wanna  
Say what they wanna say  
(They can say what they wanna)  
But I'm gonna keep on(Keep on)  
I believe it  
That they can take from me  
But they can't take my inner peace  
Oh, yeah, yeah, yeah, yeah, yeah, yeah  
Say what you wanan say, I am gonna sing my song  
Oh, oh, oh, oh, yeah, yeah, yeah, yeah
