

U-RITE

THEY.

[Intro: Drew]

I ain't with the back and forth, I ain't back and forth, like
Fuck what you asking for, just back up off me, like
Pretty sure your man still back at home, he ain't that important, like
You ain't really seen it like that before, not like that before, you like [Chorus: Drew & Dante]
When you put it like that, like that, like that, you right
Nigga think he got it like that, wanna act like that
Alright, I'm about to have to backtrack backtrack, track off that
You right, you right, you right, you right, you right, yeah

[Verse 2: Drew]

Already know what you want
Bitch, why you keep hitting my phone?
Fuck wit' a nigga before, just wait 'til I get in my zone
Fuck all this silly talk
Marvin (momma) told me never hit it raw
Certain shit a nigga pick up on
You cannot trick me, the jig is up
Level up, bitch, like uh
Evidently you don't know da boy ain't no chump
Real nigga don't say nothin'
I'ma roll up my skunk, then I post up like Duncan
When your nigga gon' give up?
Keep it real girl, quit frontin'

[Chorus: Drew & Dante]

When you put it like that, like that, like that, you right
Nigga think he got it like that, wanna act like that
Alright, I'm about to have to backtrack backtrack, track off that
You right, you right, you right, you right, you right, yeah [Verse 3: Dante]
(Rule 1!) Never ever give a bitch a clue what you really tryna get into (Two!)
Both her friends wanna come with me, tell her good things always come in 3s (Three!)
Can't let you walk out that door 'til you show me what that pussy hittin' for (Four!)
Not tryna fuck up the vibe, but you got be out by a quarter to 5, hoe (Five, five, five!)
Say that she feelin' my aura but never been wit a nigga from Aurora
Thick like she El Salvadorian, face like she work at Sephora
Everything going accordingly until she started feeling too important
I couldn't do nothing for her
Before shawty left out the door, she said [Chorus: Drew & Dante]
When you put it like that, like that, like that, you right
Nigga think he got it like that, wanna act like that
Alright, I'm about to have to backtrack backtrack, track off that
You right, you right, you right, you right, you right, yeah [Outro: Drew & Dante]
Bitch, you right, bitch, I think you right

I be like, "Bitch, you right, bitch, I think you right"
I be like, "Bitch, you right, bitch, I think you right"
I be like, "Bitch, you right"
Bitch, you right, bitch, I think you right
I be like, "Bitch, you right, bitch, I think you right"
I be like, "Bitch, you right, bitch, I think you right"
I be like, "Bitch, you right"
