Happy

Leona Lewis

Someone once told me That you have to choose What you win or lose You can't have everythingDon't you take chances You might feel the pain Don't you love in vain 'Cause love won't set you freeI could stand by the side And watch this life pass me by

So unhappy

But safe as could be

So what if it hurts me?

So what it I break down?

So what if this world just throws me off the edge

My feet run out of ground

I gotta find my place

I wanna hear my sound

Don't care about all the pain in front of me

I'm just trying to be happy

I just wanna be happy, yeahHolding on tightly

Just can't let it go

Just trying to play my role

Slowly disappearBut all these days

They feel like they're the same

Just different faces

Different names

Get me out of here

I can't stand by the side

Ooh, no

And watch this life pass me by

Pass me bySo what if it hurts me?

So what if I break down?

So what if this world just throws me off the edge?

My feet run out of ground

I gotta find my place

I wanna hear my sound

Don't care about all the pain in front of me

I'm just trying to be happyOh, happy

OhSo many turns that I can't see

Like I'm a stranger on this road

But don't say victim

Don't say anythingSo what if it hurts me?

So what if I break down?

So what if this world just throws me off the edge?

My feet run out of ground

I gotta find my place

I wanna hear my sound

Don't care about all the pain in front of me

I just wanna be happy

Happy

I just wanna be

Oh

I just wanna be

Happy
