GOOD TIME

Niko Moon

We just tryna catch a good time
Even if it takes all night
Pass that bottle 'round the campfireSippin' apple pie moonshineYeah we pickin' on them guitars just right
Everybody singin' Dixieland Delight
Like a bobber on a wet line
We just tryna catch a good timeEighty degrees and the sun ain't even out
We got a spot a couple miles out of town
When that moon comes up, you know what's goin' down
We got them folding chairs leanin' way back
No other plans other than relax
We ain't worried about tomorrow from where we at
We just tryna catch a good time
Even if it takes all night
Pass that bottle 'round the campfire
Sippin' apple pie moonshineYeah we pickin' on them guitars just right
Everybody singin' Dixieland Delight
Like a bobber on a wet line
We just tryna catch a good timeWay down here we all got that Southern drawl
Take our time when we talkin', hey y'all
Yeah it don't take much for us to have it all (That's right)
Somethin' 'bout a night this clear
Makes your problems disappear
We just gonna stay right here and let the world go byWe just tryna catch a good time
Even if it takes all night
Pass that bottle 'round the campfire
Sippin' apple pie moonshine
Yeah we pickin' on them guitars just right
Everybody singin' Dixieland Delight
Like a bobber on a wet line
We just tryna catch a good timeThere's somethin' 'bout a night this clear
Makes your problems disappear
So we just gonna stay right here and let the world go byWe just tryna catch a good time
Even if it takes all night, all night
Pass that bottle 'round the campfire
Sippin' apple pie moonshine (Sippin' apple pie moonshine)Yeah we pickin' on them guitars just right
Everybody singin' Dixieland Delight
Like a bobber on a wet line
We just tryna catch a good timeTryna catch a good time (Good time)
Good time
Tryna catch a good time

Good timeYeah we're tryna catch a good time (Good time)
Good time (Good time)
Tryna catch a good time (Good time, baby)
Good time
(Ahh, I think I got a bite)
