

Salted Wound

Sia

Lonely float got in the way
Feel the fear, and do it anyway
Take a chance, no it wasn't what you know
Take her hand, and don't let go Oh, ooh oooooh
And you can do it
Don't break
Yeah, you'll push through it
You're safe
Yes, you can do it
Don't break
Yeah, you'll push through it
You're safe
Tell her all of how you feel
Give her everything she needs to heal
Give your heart a second chance
And she will see that you're a good man Oh, ooh oooooh
And you can do it
Don't break
Yeah, you'll push through it
You're safe
Yes, you can do it
Don't break
Yeah, you'll push through it
You're safe
Yes, you can do it
Don't break
Yeah, you'll push through it
You're safe
