## U.N.I.

## **Ed Sheeran**

I found your hair band on my bedroom floor
The only evidence that you've been here before
And I don't get waves of missing you anymore
They're more like tsunami tides in my eyesNever getting dry, so I get high
Smoke away the days, never sleep with the light on

Weeks pass in the blink of an eye
And I'm still drunk at the end of the night
I don't drink like everybody else
I do it to forget things about myself
Stumble and fall with the head spin I got

My mind's with you but my heart's just not So am I close to you anymore, if it's over?

And there's no chance that we'll work it outThat's why you and I ended over U.N.I.

And I said that's fine

But you're the only one that knows I lied You and I ended over U.N.I.

And I said that's fine

But you're the only one that knows I liedEverybody said we'd be together forever But I know that I never wanna settle down,

Come around, break up the love like lego now

Never wanna turn into another like you

Sleep with my thoughts, dance with my viewsEverything's great, not everything's sure

But you live in your halls and I live in a tour bus

Now I'm in position to be another stalker

Like everything I say seems to always sound awkward

Like our last kiss, it was perfect

But we were nervous, on the surface

And I'm always saying everyday that it was worth it

Pain is only relevent if it still hurts

I forget like an elephant, or we can use a sedative

And go back to the day we fell in love just on first kissSo am I close to you anymore, if it's

And there's no chance that we'll work it outOh you and I ended over U.N.I.

And I said that's fine

But you're the only one that knows I lied

You and I ended over U.N.I.

And I said that's fine

But you're the only one that knows I liedBecause, if I was gonna go somewhere

I'd be there by now

And maybe I can let myself down

And I'm thinking I'm unaware

I keep my feet on the ground

And keep looking around,
To make sure I'm not
The only one to feel lowBecause if you want
I'll take you in my arms and keep you sheltered
From all that I've done wrong
And I know you'll say
That I'm the only one

But I know God made another one of me To love you better than I ever will'Cause you and I ended over U.N.I.

And I said that's fine
But you're the only one who knows that I lied
You and I ended over U.N.I.
And I said that's fine

But you're the only one who knows that I lied Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
