

# I Want You Around (Remix) [feat. 6LACK]

[Snoh Aalegra](#)

It's not that I don't want you here (yeah, yeah)  
It's something about the way you stare into my eyes  
I know that I don't make things clear (no) I fall for you every time I try to resist you We can get  
away  
Palm trees, beach views  
Ordinary day  
All I wanna hear is inner visions on replay  
And sit right next to you, you  
I try not to show how I feel about you  
Thinking we should wait, but we don't really want to  
I just wanna get away  
And sit right next to you, you  
I don't wanna kiss you  
Yeah, I just wanna feel you  
Feel you I want you around (around)  
Around  
I want you around (around)  
Around ('round, 'round, 'round)  
I want you around  
Around  
I want you around  
Around, around, 'round, 'round  
(I want you around) Come through, I think I need you here  
(But) I swear it's hard to keep these feelings to myself  
Now you're the one I'm thinking of  
My higher ground, my rocket love  
Fuck gravity, I'd rather stay up here, but...  
We can get away  
Palm trees, beach views  
Ordinary day  
All I wanna hear is inner visions on replay  
And sit right next to you, you  
I try not to show how I feel about you  
Thinking we should wait, but we don't really want to  
I just wanna get away  
And sit right next to you, you I don't wanna kiss you  
Yeah, I just wanna feel you  
Feel you I want you around (around)  
Around  
I want you around (around)  
Around ('round, 'round)  
I want you around

(Darling, I want you, yeah, yeah)  
Around  
I want you around  
(I want you around, yeah, yeah)  
Around, around, 'round, 'round(I want you around)  
(Round, 'round, 'round, 'round)  
(Oh, 'round)  
(Round, 'round, 'round, 'round)  
(Round, 'round, 'round)  
(Want you around)
