

Hum with Me

[John De Sohn](#)

Baby, do you belive in me
Because I believe in you
Until the tide has come
Baby, do you belive in me
Becasue I belive in you
Until the love is goneJust hum with me
Til the morning comes
Just hum with me
So I can hear you
Just hum with me
Til the morning comes
Just hum with me
DROPBaby, put your tries to me
Like I tries to you
Til the tide has come
Baby, reach out for the sun
Never turn around, until the love is gone
Just hum with me
Til the morning comes
Just hum with me
So I can hear you
Just hum with me
Til the morning comes
Just hum with meDROPHum with me
Hum with me
