

Get Up On It (feat. Kut Klose)

Keith Sweat

I got something for the fellas this time around
Lady's, won't you tell me your names
Tabath, Avina and LavanIf you really, really want it
All you got to do is get up on it
If you really, really want it
All you got to do is get up on itThe time has come for us, ooh baby
To get real busy baby, oh yes, it has, umm
And you don't have to be afraid of our love, oh no
'Cause it won't hurt you sugar
Oh no, it won't, oo yeah, babyIf you really, really want it
All you got to do is get up on it
If you really, really want it
All you got to do is get up on it
I like it girl when we can get real freaky baby
Ooh yes, I do baby
And I'm on my hands and knees
You know I'm with you sugar
Girl, I am with everything you want to do, sangIf you really, really want it
All you got to do is get up on it
If you really, really want it
All you got to do is get up on itBoy yeah, I know that this is it, a love
'Cause I know that I'm giving you my love
Love, love, a love that you cant resist, baby
Sang, sang, bring it onIf you really, really want it
All you got to do is get up on it
If you really, really want it
All you got to do is get up on it
Ho baby yeah
