

# Islands In the Stream

## Dolly Parton & Kenny Rogers

Baby, when I met you there was peace unknown  
I set out to get you with a fine tooth comb  
I was soft inside, there was somethin' going on You do something to me that I can't explain  
Hold me closer and I feel no pain  
Every beat of my heart  
We got somethin' goin' on Tender love is blind  
It requires a dedication  
All this love we feel  
Needs no conversation  
We ride it together, ah-ah  
Makin' love with each other, ah-ah  
Islands in the stream  
That is what we are  
No one in-between  
How can we be wrong  
Sail away with me to another world  
And we rely on each other, ah-ah  
From one lover to another, ah-ah I can't live without you if the love was gone  
Everything is nothin' if you got no one  
And you did walk in tonight  
Slowly loosen' sight of the real thing But that won't happen to us and we got no doubt  
Too deep in love and we got no way out  
And the message is clear  
This could be the year for the real thing  
No more will you cry  
Baby, I will hurt you never  
We start and end as one, in love forever  
We can ride it together, ah-ah  
Makin' love with each other, ah-ah Islands in the stream  
That is what we are  
No one in-between  
How can we be wrong  
Sail away with me to another world  
And we rely on each other, ah-ah  
From one lover to another, ah-ah Sail away  
Oh, come sail away with me Islands in the stream  
That is what we are  
No one in-between  
How can we be wrong  
Sail away with me to another world  
And we rely on each other, ah-ah  
From one lover to another, ah-ah Islands in the stream

That is what we are  
No one in-between  
How can we be wrong  
Sail away with me to another world  
And we rely on each other, ah-ah  
From one lover to another, ah-ah
