90's Country

Walker Hayes

Strawberry wine on your lips got me amazed
How 'bout you let the sky, oh boy
Take you away?
Gimme that wink, I'ma give it right back
You know you like it, you love it
You want some more of thatYou make me smile like I did
When we were radio kids
Catching that countdown on Sunday
All the way to one day
When it wasDo you love me?
If you do, check yes, please
Girl, you know you think my tractor's sexy
Got me spinning like a jukebox junkie
Making me feel like 90's country
You make me feel like 90's countryShake it I dare you
Queen of my double wide trailer
Million songs I could list you
But I'm just gon' shut up and kiss youYou see that water tower?
Girl, we can dream on it
I'ma paint your name in John Deere green on it
I, I cross my heart, I ain't no walk-away Joe
I'm gonna get you to the church on Cumberland Road
And you get sweeter with time
Just like that bottle of wine
Might be a little dust on it but
Won't it taste so fine? (Just like you)
Do you love me?
If you do, check yes, please
Girl, you know you think my tractor's sexy
I'm sold to the lady in the front seat
Making me feel like 90's countryYou make me feel like 90's countryShake it I dare you
Queen of my double wide trailer
Million songs I could list you
But I'm just gon' shut up and kiss youYou make me feel like 90's countryYou know you're beautiful,
Don't act like you don't
Ain't settling for no butter
And no grey snow cone, not tonightDo you love me?
If you do, check yes, please
Girl, you know you think my tractor's sexyI ain't in it for your daddy's money
You make me feel like 90's countryShake it I dare you
Queen of my double wide trailer

Million songs I could list you
But I'm just gon' shut up and kiss youBaby, don't be stupid, you know I love you
Blame it all on my roots when I turned up at 90's country
