# I Am Not a Robot

## Marina and The Diamonds

You've been acting awful tough lately
Smoking a lot of cigarettes lately
But inside, you're just a little baby
Oh
It's okay to say you got a weak spot
You don't always have to be on top
Better to be hated than love, love, loved for what you're notYou're vulnerable
You're vulnerable
You are not a robot
You're loveable, so loveable
But you're just troubledGuess what?
I'm not a robot, a robot
Guess what?
I'm not a robot, a robot
You've been hanging with the unloved kids
Who you never really liked and you never trusted
But you are so magnetic, pick up all the pins
Never committing to anything
You don't pick up the phone when it ring, ring, rings
Don't be so pathetic, just open up and singI'm vulnerable
I'm vulnerable
I am not a robot
You're loveable, so loveable
But you're just troubledGuess what?
I'm not a robot, a robot
Guess what?
I'm not a robot, a robotCan you teach me how to feel real?
Can you turn my power off?
Well, let the drum beat drop
Guess what?
I am not a robot
Guess what?
I am not a robot
Guess what?
I'm not a robot, a robot
Guess what?
I'm not a robot, a robot
Guess what?
I'm not a robot, a robot
Guess what?
I'm not a robot, a robot
