

# Keep On Lovin' Me Honey

## Marvin Gaye & Tammi Terrell

[M:] Keep On Lovin' Me Honey, keep on lovin' me true  
[T:] Baby, I'm gonna love you no matter what you do  
[M:] Just so long as I can have it all, nothin' but you  
[Both:] So don't you take your love, don't take it away from me  
[T:] 'Cause I would stop right where I stand  
[M:] I'd just be afraid of a man  
[Both:] Don't you take your love, don't take it away from me  
'Cause if you leave you might as well take the air I breathe [M:] Keep On Lovin' Me Honey,  
don't you go nowhere  
[T:] Don't you know I'm satisfied with your tender care?  
[M:] And I get my inspiration, darlin', just knowin' you're there  
[Both:] So don't you take your love, don't take it away from me  
[T:] 'Cause like a leaf out on a tree  
[M:] You've become a part of me  
[Both:] Don't you take your love, don't take it away from me  
'Cause if you leave you might as well take the air I breathe [Both:] Would you take the heavens  
out of the sky  
Imagine what the world would be like if the rivers ran dry  
[M:] Oh Tammi  
[T:] What good am I without you  
[M:] I can't do without you, darlin'  
[Both:] Like a sea without a shore  
Kicking forever more  
[M:] Keep On Lovin' Me Honey, don't you change your mind  
[T:] Sugar, I can't bear the thought of ever leavin' you behind  
[M:] No matter what I do, another you I'll never find  
[Both:] So don't you take your love, don't take it away from me  
[T:] 'Cause I would stop right where I stand  
[M:] I'd just be afraid of a man  
[Both:] Don't you take your love, don't take it away from me  
'Cause if you leave you might as well take the air I breathe  
If you leave you might as well take the air I breathe  
Don't you take your love, don't take it away from me  
'Cause I need your love, I need you so desperately  
Don't you take your love, don't take it away from me  
[...and fade]
