Winter Wonderland

Kaskade

Sleigh bells ring Are you listening In the lane Snow is glistening A beautiful sight We're happy tonight Walking in a winter wonderlandGone away, is the blue bird Here to stay, is the new bird He sings a love song As we go along Walking in a winter wonderlandLater on we'll conspire As we dream by the fire To face unafraid The plans that we've made Walking in a winter wonderland When it snows, ain't it thrilling? Though your nose, gets a chilling We'll frolic and play, the Eskimo way Walking in a winter wonderland (Walking in a winter wonderland)
