

# Crooked Nigga Too

2Pac

Intro)  
Yeah nigga  
Yo Pac (That's right)  
Yo, I heard you got beat up by the police  
Got a big fat lawsuit and everything (yeah)  
Niggaz just wanna know if your still gonna be on some crooked ass nigga shit(2pac Verse 1)  
Please tell me what's a nigga to do and it's true  
Ain't nuttin' new so I do what I can to get through  
Now first they had me trapped and now I'm pissed  
A loaded AK47 layin on my hips so don't trip  
One motherfucker from the underground  
And Big Stretch buckin' niggaz if they fuck around  
Yo, why ya'll got beef with police?  
Ain't that a bitch them motherfuckers gotta beef with me  
They make it hard for me to sleep  
I wake up at the slightest peep and my sheets are 3 feet deep  
I guess it's hard for you to see  
But now I'm pointin the finger at police instead of motherfuckers blamin' me  
I got the right to bear a pistol  
And when them punk motherfuckers get to trippin' I got shit too  
And maybe then you'll see the truth  
But until then I gotta do what I do and stay a crooked nigga too  
(Chorus)  
It's all up to you  
But until then I gotta do what I do and stay a crooked nigga too  
And maybe then you'll see the truth (awwwwww)  
But until then I gotta do what I do and stay a crooked nigga too  
It's all up to you  
But until then I gotta do what I do and stay a crooked nigga too  
And maybe then you'll see the truth (awwwwww) Oooh!  
You can't fuck with the crew, a crooked nigga too(2pac Verse 2)  
You know you really can't say that you blame niggaz  
Fuck bein' tame, set a flame, tryin' to aim triggaz  
2pac'll spark a revolution, fuck the constitution  
I want my bucks for restitution  
This time you got a bigger problem  
Time to face the niggas from South Central, Oakland, Brooklyn and Harlem  
And we ain't shootin' at eachother (fuck no), that's a motherfuckin' brother  
So save two, run for cover  
And other bitches from the clan  
Come feel the wrath of a black man that doesn't smoke crack and  
I don't drink St. Ides (fuck that!)

Genuine draft ganja ganja and my fuckin' Tec-9  
They know their scared to see us sober (awwwwww)  
Cobra - And niggaz will take the world over  
It's all up to you (up to you) Blame the Korean (fuck that)  
I'll be a crooked nigga too  
(Chorus)  
It's all up to you  
But until then I gotta do what I do and stay a crooked nigga too  
And maybe then you'll see the truth (awwwwww)  
But until then I gotta do what I do and stay a crooked nigga too  
It's all up to you  
But until then I gotta do what I do and stay a crooked nigga too  
And maybe then you'll see the truth (awwwwww) Oooh!  
You can't fuck with the crew, a crooked nigga too(2pac Verse 3)  
Pardon me,? has been God and try me  
I'll be damned if I die come look at the rage in my eyes G  
They got my homies in a jail cell  
Now it's the rebel and the devil and one of us is goin' to hell  
I got the whole place covered with loc'ed out brothers  
And nothing but love for eachother  
So motherfucker make a motion  
I give a fuck, slice you up, and throw your ass in the ocean  
Temperatures drop  
See it's cool to shoot a nigga but they hate it when we pop the cops  
That's when they gettin' petrol  
You better watch your step or you'll be left on deathrow  
But I learned to look ahead of me  
Stay strapped, watch your back, keep your eyes on the enemy  
We blowin' up precincts and oooohhhh you can't fuck with the crew  
A crooked nigga too(Chorus)  
It's all up to you  
But until then I gotta do what I do and stay a crooked nigga too  
And maybe then you'll see the truth (awwwwww)  
But until then I gotta do what I do and stay a crooked nigga too  
It's all up to you  
But until then I gotta do what I do and stay a crooked nigga too  
And maybe then you'll see the truth (awwwwww) Oooh!  
You can't fuck with the crew, a crooked nigga too
