The Promise

Tracy Chapman

If you wait for me then i'll come for you Although i've traveled far I always hold a place for you in my heart If you think of me if you miss me once in awhileThen i'll return to you I'll return and fill that space in your heart Remembering Your touchYour kiss Your warm embrace I'll find my way back to you If you'll be waiting If you dream of me like i dream of you In a place that's warm and dark In a place where i can feel the beating of your heart Remembering Your touch Your kissYour warm embrace I'll find my way back to you If you'll be waiting I've longed for you and i have desired To see your face your smile To be with you wherever you are Remembering Your touch Your kiss Your warm embrace I'll find my way back to you If you'll be waiting I've longed for you and i have desired To see your face, your smile To be with you wherever you are RememberingYour touch Your kiss Your warm embrace I'll find my way back to you Please say you'll be waiting Together again It would feel so good to be In your arms Where all my journeys end If you can make a promise if it's one that you can keep, i vow to come for you If you wait for me and say you'll hold A place for me in your heart.
