

Simi California

[Fisher](#)

Interscope Records/Farmclub.com Welcome to Simi Cal-i-for-ni-a

Welcome to the home of the biggest fake

I didn't tell him what I meant to say

There will be time for the

truth another day

Chorus:

In Simi California

a liar sleeps tonight

In Simi I can't see how I can sleep

inside a creep like me

Honesty somehow was replaced with fear

Easier just to tell him

what he wants to hear

In Simi California

A liar sleeps tonight

In Simi I can't see how I can sleep

Inside a creep like me

If he could read my mind my love

is gone

In Simi California

a liar sleeps tonight

In Simi I can't see how I can sleep inside

California

a liar sleeps tonight

In Simi I can't see how I can sleep

inside a creep like me
