

# Take You Down

Chris Brown

Here we are all alone in this room (oh),  
And girl i know where to start and what we gonna do (yeah),  
I'll take my time we'll be all night girl,  
So get ready babe I got plans for me and you,  
It ain't my first time but babygirl we can pretend,  
Hey lets bump and grind girl tonight we'll never end, Let me take u down,  
I really wanna take u down,  
And show you what I'm about,  
Can I take you now,  
Your body body oohh,  
Your body body up and down,  
So don't stop girl get it,  
Quit playin wit it,  
Can't wait no more,  
I wanna take u down,  
I really wanna take u down,  
Take u down, yeah,  
Pretty girl lets take it off in this room,  
No time to waste girl you know what we came to do,  
We got all night to try to get it right gurl,  
(hope you ready)(hope you ready)(hope you ready)  
I hope your babe,  
Cuz here we go, we know how we do,  
It ain't my first time(No)but baby girl we can pretend (Hey)  
Let's bump and grind girl tonight will never end Let me take u down,  
I really wanna take u down,  
And show you what I'm about,
