

Miss Diva (feat. Yungen)

One Acen

I love how you step, Miss Diva
Grind for the best items
We doing up flex, new freezers
You the realest one on my team
Yeah, Miss Diva
Grind for the best items
We doing up flex, new freezers
You the realest one on my
Right hand, you're my go to
Touch down when I'm local
Nice for what, she ain't really social
She ain't looking for no man that's old news
Staying home, that's a whole mood
Good, she working it right
It's you, deserve to be wife
I swear you got me hooked (ah yeah)
Got them other girls shook (ah yeah)
Girl tell me where you wanna go
Any place we can book (ah yeah)
I'm feeling like I'm lit (ah yeah)
Got them other girls sick (ah yeah)
Girl tell me where you wanna go
Cos I like to flex, tell me what's next
